

WORLD LPG CHALLENGE '26

INNOVATING ENERGY

Showcase your solution directly to the leaders and decision-makers of the global LPG industry! Gain visibility, get feedback, create partnerships, and win funding that could scale your business to new heights.

The World LPG Challenge '26 is supported by Digital Intelligence Leadership Partner

ANOVA

Why the World LPG Challenge '26?

Access to global LPG companies operating across 100+ countries.

Direct exposure to decision-makers responsible for real-world deployment.

Opportunity to pilot and scale solutions in live energy markets

Mentorship from industry leaders focused on commercial success.

Platform to move from concept to commercial adoption.

We are looking for solutions that can advance:

- **Digital intelligence and AI across the value chain.**
- **Decarbonisation and renewable Liquid Gas commercialisation.**
- **Distributed energy and off-grid applications.**
- **Operational efficiency and asset optimisation.**
- **Customer growth and demand creation.**

And More...

We want to hear your ideas for revolutionising energy!

Don't miss
this chance
to shape the
future of
energy!
